

DL Kids – Make a Comic Strip

You will need: The comic template below – you can either print the template out or draw your own using the template below as a guide. Pens/pencils.

Comic Hints & Tips:

- Create characters to appear in your template – design their costumes and special powers.
- Create a story for your characters to appear in.
- Use small sentences to keep the story punchy and fun.
- Use words such as Pow, Bang, Cool, Ouch to give your story a real comic feel.
- Add lots of colours and comic drawings to bring the story to life.
- You could turn members of your family/friends into comic characters.
