

DL Kids – T-Shirt Designing

You will need: T-Shirt template below or if you are unable to print the template off draw a template onto a piece of paper. For Tie Dye – white T-Shirt/dye/rubber bands/cling film.

Design a t-shirt: Being as creative as possible, you could follow a theme (superheroes / princess / pirates / sports stars) or design a DL Kids t-shirt you could wear to DL Kids sessions.

Tie Dye:

1. Lay fabric flat on work surface. Decide the area on the fabric you want the swirl to be. Pinch fabric at this point. Twist fabric around into a flat spiral.
2. Bind with rubber bands, creating 6 wedge shapes. Use more rubber bands as desired.
3. Apply dye on wedges using as many colours as desired, in the desired arrangement – alternating wedges, connecting wedges, etc. or use a single colour.

4. Cover fabric with cling film. Let set 4 to 6 hours. Remove rubber bands. Fill washer to large load setting with hottest water suitable for fabric and a small amount of non-bleach laundry detergent and wash.

Your finished product will look something like this!
